¹The sky tells us how wonderful God is – the sky says: Look at God’s great work! ²Day after day the sky is talking to us – every night the sky is teaching us. ³The sky cannot speak a language, but everyone in the world can hear the sky speaking – ⁴the sky speaks to all the earth.

Because God clearly shows himself to everyone. ²⁰We can clearly see God’s eternal power and his deity. Really? How can we see God’s power and deity? Because people can see everything that God has made – so we know that God is powerful – and we know that God is God. So, we cannot say: I don’t know God – we have no excuse!
